Candidate Consent Form

REMARK REQUEST

Information for candidates

The following information explains what may happen following an enquiry about results (remark) of an examination.

If you make request to have one of your examinations remarked, there are three possible outcomes:

- Your original mark is lowered, so your final grade may be lower than the original grade you received.
- Your original mark is confirmed as correct, and there is no change to your grade.
- Your original mark is raised, so your final grade may be higher than the original grade you received.

In order to proceed with the enquiry about results, you must sign the form below. This tells the Examinations Officer that you have understood what the outcome might be, and that you give your consent to the request for a remark to be made.
