10 October 2016

Dear Parents

As part of JCG's International Women's Academy activities the IWA Global College Team will be organizing an International Winter Fete on Saturday 10 December. The Fete will combine craft stalls, Santa's Grotto, face painting, live music and many more activities for all the family. In addition the students will be celebrating JCG's and Jersey's diverse cultural heritage with international food stalls representing, China, Japan, Poland, Portugal, France, India, Vietnam and many other nations.

The Fete will be raising money for our IWA Global College partner orphanage school in Ghana. The students there are in desperate need of a sustainable food source. Therefore, all proceeds from the event will be used to buy cows to allow them to establish a small herd to supply milk and meat.

We wish to make this a very successful event and give the students in Ghana a Season's gift we can all be proud of. The students of the IWA Global College team would, therefore, like to request your help and in particular with the following:

- Helping make food for the International food stalls
- Renting a table to sell your own crafts
- Baking for the cake sale
- Providing prizes for the raffle
- Helping with advertising the event at schools and companies across the island

If any parents would like to help in the above areas, or in any other way, could you please return the below slip to the Office before 21 October.

Thank you for your support of this event.

Yours faithfully

The IWA Global College Team
