Dear Parents

As part of the school's efforts to offer an international dimension to the educational programme at JCG we will be organizing a number of international summer schools and school visits. For these programmes we want to offer the visiting students a real Jersey experience and also give our own students the best opportunities to fully interact, learn from and form friendships with the visiting students. To this end we wish to offer the opportunity for our visiting students to homestay with a Jersey family and in particular a family from JCG.

At this stage we are just looking to form a list of potential homestay families and would then have a more detailed discussion with these families about what being a homestay family would entail. However we are roughly looking at the following:

Duration of stay: 1-2 weeks

Costs: Fully covered by the visiting student

Provided by homestay family:

- Bed either in separate room or room of JCG student
- Breakfast and potentially limited number of packed lunches / dinners
- Transport to and from school

If this is something that your family may be interested in, could you please complete the below slip and return it to the Office by Monday 19 September.

Yours faithfully

Dr Peter Le Masurier
