Dear Parents / Guardians

I am writing to let you know about Morrisby Online, which is a personalised careers guidance system. It is at the forefront of assessing aptitudes, learning styles and personal working styles, to inform career choice. All of Year 11 will be undertaking the profile on Wednesday 2 November between 8.30am and 10.30am.

Candidates complete a questionnaire and assessment online and then Morrisby will provide an individual report. The report will also show 12 career suggestions and how these relate to A-Level and University choices. More information can be found on www.morrisby.com.

Morrisby Online is ideal for students in Year 11, although it is also suitable for others looking for personalised career information. I highly recommend this very valuable, detailed and interesting careers guidance resource.

Please see the attached document for further information.

Yours faithfully
